Changing the Face of Policing

**Successfully Investigating Acquaintance Sexual Assault:
 A National Training Manual for Law Enforcement**

This innovative program was developed by the *National Center for Women & Policing*, in cooperation with the **Violence Against Women Office** and other experts in sexual assault investigation. This curriculum focuses on the investigation of cases in which the victim and suspect know each other. The program includes numerous content modules, curriculum units, and classroom overheads, as well as supplemental materials such as samples of various affidavits and search warrants. These materials are ready for classroom use, and are available to law enforcement instructors nationwide. They can be mailed in CD format. To obtain a copy on CD, please contact the National Center for Women & Policing by telephone or fax, or email us at womencops@feminist.org

In addition, the *National Center for Women & Policing* has developed a cadre of certified experts who can present this training at law enforcement agencies around the country. If you wish to host a regional training seminar on this subject, please contact us.
